## Litany

- We affirm that God is the Creator of all that exists, and the creator of each human life.
- We affirm that all life belongs to God “for it is he that made us and we are his.” (Ps. 100:3)
- We affirm that God creates all human life: born and unborn, helpless and healthy, young and old, for the purpose of glorifying him and enjoying him forever.
- We affirm that by the power of God’s Spirit we are able to overcome difficulties that confront us and live victoriously in obedience to God, in all circumstances.
- We affirm God’s power to heal and restore our broken lives when we confess our sin and turn to him through faith in Jesus Christ.
- We affirm that the church is to gather around every pregnant mother and every person and family with special needs and cherish every life that God has entrusted to their care.
- We affirm that no sin exceeds God’s grace to forgive and that our confession and repentance is always met by the forgiving grace extended through Christ’s death on the cross.
- We affirm that God’s will for us and for our children--born and unborn--is life and not death. God raised his Son Jesus Christ from the dead, breaking the power of death and willing for us eternal, abundant, and joyful life in his company.

## Presbyterians Pro-Life.

We are...

- ...Presbyterians considering life issues in the context of Christian faith;
- ...Churches in life-preserving ministry;
- ...Local chapters bringing life to the Church.

We have not introduced something new into the theology of the church by opposing abortion and calling the church to be a community in which the love of God is demonstrated in concrete ways. Rather we speak and act on the basis of the theology which the church has claimed as its own for centuries.
