

HOLY SEXUALITY & THE GOSPEL

Sex, Desire and Relationships Shaped by God's Grand Story

By Christopher Yuan

How do we apply the essence of the gospel to a gay loved one? In what ways can we better walk with truth and grace alongside a fellow Christian with same-sex attractions? This book offers theological and practical insights that lead us to find our identity in Christ – not in our sexuality. Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself, this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all.

Includes an eight-session group study guide
